Dear Parents/Carers,

## Year 11 Curriculum Information – Autumn 1

As part of our ongoing commitment to ensuring strong communication between home and the Academy, we want to provide you with important information about your child's curriculum for this Autumn term. This will allow you to stay informed about their studies and support them effectively as they prepare for a crucial stage in their education.

Year 11 is an exciting and pivotal time in your child's academic journey, as they work towards their GCSE examinations. These exams will serve as a gateway to further education and career opportunities, making this year one of the most important in their schooling. To help them achieve their best, it is essential that they engage fully with the curriculum and their learning.

Your involvement during this critical year is invaluable. By encouraging open conversations about your child's progress, helping them to revise key topics, and keeping them on track with their studies, you can play a significant role in their achievement.

Please find below the curriculum information for this term, which is also available on the Academy website.

### What is my Year 11 child learning?

Please click [here](#) for information on what is being studied in Year 11 during Autumn 1.

Please click [here](#) for detailed information for each of the subject areas including what is studied, why it is studied and when.

Please click [here](#) to read Avonbourne Boys' and Girls' Curriculum Statement and [here](#) to read how we deliver our curriculum to support all learners.

Yours sincerely,

**Brianna Fairbank**

**Assistant Principal**
