

Year 12

Term	Autumn 1								Autumn 2							Spring 1						Spring 2						Summer 1					Summer 2						
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 1	Week 2	Week 3	Week 4	Week 5	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Art	Clutter and Identity Developing analytical writing and drawing skills								Clutter and Identity Artist study and painting and 3D skills							Issue of exam paper and commencement of preparatory time. m. Completion of preparatory work AD1, AD2, AD3						Continued preparatory time and commencement of controlled test. Completion of preparatory work AD1, AD2, AD3, AD4.						Commencement of Personal Investigation					Continuation of Personal Investigation						
Biology	Introduction	Basic components of living organisms and Biological molecules							Biological molecules (nucleic acids), enzymes and exchange and breathing							Plasma membranes and transport in animals						Cell division and transport in plants						Communicable disease and classification and evolution					UCAS exams, neuronal communication, hormonal communication						
Business Studies	What is Business?								Managers, Leadership and Decision Making							Decision Making to Improve Marketing Performance						Decision Making to Improve Operational Performance						Decision Making to Improve Financial Performance					Decision Making to Improve HR Performance						
Chemistry	Introduction	Elements of life			Developing fuels				Developing fuels		Elements from the sea					The Ozone story		What's in a medicine				Whats in a medicine				Aspirin PAG and PAG tidy up					Polymers and Life								
Dance	Introduction to course and American Jazz Optional Area of study								American Jazz and Quartet Performance							American Jazz/Singing in the Rain and Quartet Performance						Singing in the Rain and Mock choreography preparation						Year 12 UCAS exam revision and choreography rehearsals					Year 12 UCAS exams and choreography rehearsals and assessment						
Drama	Course introduction: Skills & Scripted Piece Set Text A: Antigone								Set Text B: Brontë Live Theatre Analysis							Component 3 - Scripted - Stanislavski & Comedy Set Text B: Brontë						Live Theatre Analysis & Revision						Component 3 - Scripted - Brecht & Political Theatre					Paper Birds & Devising						
English Language	Language Levels Meanings & Reps								CLA speech							Language Diversity - Social Groups (Age & Race)						Language Diversity - Gender & Sexuality						Language Diversity - Occupation & Power Paper 2, Section B					Language Diversity - Regional Variation NEA- Original Writing						
English Literature	Poems of the Decade								Romantic Poetry							Frankenstein						The Handmaid's Tale						A Streetcar Named Desire					NEA						
Ethics and Philosophy	Philosophy of Religion								Philosophy of Religion							Religious Ethics						Religious Ethics						Developments in Christian Thought					Developments in Christian Thought						
Further Maths	Complex Numbers		Matrices			Series			Algebra and functions		Proof					Poisson and binomial distributions		Discrete probability distributions		Chi squared tests		Momentum and impulse		Work, energy and power		Elastic collisions		Geometric and negative binomial distributions					Momentum and Impulse						
Geography	Diverse Places and Coasts								Diverse Places and Coasts							Tectonics and Globalisation						Tectonics, Globalisation & Fieldwork						Tectonics, Globalisation & Fieldwork					Tectonics, Globalisation and NEA						
History	Lenin and the 1920s in Russia ; Establishing Communist rule in China								Stalin's Russia ; Agriculture and industry in China							Khrushchev's Russia ; the Cultural Revolution and its aftermath						Brezhnev, Andropov and Chernenko ; Social and cultural changes						Gorbachev's Russia ; China review					Russia review ; coursework						
Level 3 Sports Science	Unit 1 - Body systems and the effects of exercise								Unit 1 - Body systems and the effects of exercise							Unit 3 - Sport organisation and development						Unit 3 - Sport organisation and development						Unit 17 - Sports injuries and rehabilitation					Unit 17 - Sports injuries and rehabilitation						
Maths	Algebra and functions		Further Algebra	Data presentation		Statistical distributions			Differentiation	Integration	Probability	Sampling	Vectors 2D			Coordinate Geometry	Trigonometry	Hypothesis Testing	Kinematics	Forces and Newton's Laws Vectors 3D	Algebra and Functions 2		Exponentials and Logarithms		Kinematics 2		Algebra and Partial Fractions		Trigonometry			Normal Distribution	Differentiation	Forces at any angle					
Media Studies	Introduction and Music Videos								Advertising							Movie Marketing						Newspapers and NEA Introduction						Radio and NEA continued					Gaming and NEA completion deadline						
Physics	2.1 Physical quantities and units	2.2 Making measurements and analysing data	2.3 Scalar and vector quantities		3.1 Forces and motion		3.2 Forces in action			3.3 Work energy and power		3.4 Materials		3.5 Newton's laws of motion momentum			4.1 Charge and current	4.2 Energy power and resistance		4.3 Electrical circuits		4.4.1 Wave motion	4.4.2 Electromagnetic waves	4.4.3 Superposition		4.4.4 Stationary waves		4.4.4 Stationary waves	4.5 Quantum physics	Revision	Revision	5.1.1 - 3 Thermal physics	Revision						
Politics	UK Politics: Democracy and Participation, UK Government: The Constitution								UK Politics: Political Parties and electoral systems, UK Government: Parliament, Prime Minister and the Executive							UK Politics: Voting behaviour and the media, UK Government: Relationships between the branches of government						Core Political Ideas: Conservatism and Liberalism						Core Political Ideas: Socialism, Non-Core Political Ideas: Feminism					Review of UK Politics and core political ideas, Review of UK Government and non-core political ideas						
Product Design	Theory: Properties, materials testing, timbers Project 1: Skills based mini project								Theory: Papers and Boards Project: Skills based mini project							Theory: Metals Project: Research and Design (Hobbies)						Theory: Polymers, smart materials and composites Project: Make (hobbies)						Theory: Design process Project: NEA (Research and Investigation)					Project: NEA (Brief, Specification, Initial Ideas, Development)						
PSHE	Transitioning into Sixth Form: Study Skills		Relationships: unwanted, illegal and inappropriate behaviours			Relationships: consent			Managing stress	Boosting your mood		Body Image: sunbeds and cosmetic surgery				Living in a diverse society	Challenging prejudice and discrimination		Relationships: communicating wants and needs at university and in the workplace			Exploring Future Opportunities	Post-18 options		Career opportunities and preparing for the world of work		Financial terminology: tax and National Insurance	Budgeting and the impact of financial decisions		Saving for your first home: renting and buying property	Independence and keeping safe	Travel		First Aid					
Psychology	Social influence and research methods								Social influence and research methods							Memory						Attachment						Psychopathology					Further research methods						
Spanish	Modern and traditional family values, Cyberspace								Gender equality, The influence of idols							Regional identity in Spain, Cultural Heritage						Film study: Pan's Labyrinth						Film Study: Pan's Labyrinth					Preparing for the Individual Research Project
