

11<sup>th</sup> September 2024

Dear Parents/Carers,

## Class of 2028 Information evening on Wednesday 18<sup>th</sup> September

As your child embarks on their latest academic challenge, the start of GCSEs, we would like to invite parents/carers into the Academies to find out more about the expectations in Year 10 and the support on offer for your child. Every minute of every lesson really matters, as content in a lesson could form an exam question that your child will face in the GCSE exam series in the summer of 2026. Many subjects also have coursework which is completed in year 10 and will form a large part of the overall grade your child will receive in that subject.

We hope you will be able to make our information evening on **Wednesday 18<sup>th</sup> September at 6:00pm in Block B hall.**

The evening will include a presentation from the Senior Leadership Team and Pastoral Team regarding the Year 10 curriculum, homework, assessments and personal development activities for the year and look at how you can support your child at home. This evening is also used to launch Year 10 work experience, which students will be undertaking in January 2025.

Members of the Senior Leadership Team and the Pastoral Team will be available during the evening to answer any questions you may have.

We look forward to working with you and supporting you and your child over the year ahead.

Yours sincerely,

**Ben Ryan**  
Head of Year 10

**Tom Kidman**  
Assistant Principal  
Y7-10 Raising Standards

**Mike Wood**  
Assistant Principal  
Behaviour and Culture
