

17th September 2024

Dear Parent/Carer,

Enrichment PE Kit – Year 7

At Avonbourne we believe in supporting students to become the very best version of themselves which is why I am thrilled to be able to write to you to introduce a unique and exciting experience for our Year 7 and USF students. From 18th September, every Wednesday week A during period 4 (14:05 – 15:25), rather than having curriculum-based lessons, students will take part in an enrichment session. These wider opportunities will challenge our students to experience new things, explore their interests and develop their talents, equipping our young people with the character attributes that will enable them to succeed in later life.

The first four sessions have been carefully planned to support students in getting to know each other through a selection of team building activities. These sessions will be followed in November with an Enrichment Fair where students will be able to sign up to their choice of activity which they will then attend each fortnight until Easter.

These sessions will take place in school and to support students in getting the most out of these hands-on sessions, we are inviting students to attend school on Wednesday 18th September, Wednesday 2nd October, Wednesday 16th October and Wednesday 6th November in their PE kits. It is important to note that these are not non-uniform days and on these days, students should arrive at school wearing their academy PE kit along with their school blazer.

Further details about the enrichment fair will be available later in the term.

If you have any questions, please contact me on the following email address:
joanne.booler@avonbourneacademy.org.uk

Yours sincerely

Joanne Booler
Vice Principal – Personal Development
